Whereas, in the general election on November 7th there will be submitted to the voters of the State an amendment to the Constitution known as the Educational Amendment; and

Whereas, the ratification of this amendment will make possible the equalization of educational opportunities of children in the rural districts with those of the city and town, because permission would thus be given for local taxation by counties and districts for school purposes when a majority of the qualified electors of such county or district shall so determine; and

Whereas, the education and training of the children is the chief concern of the Church no less than the State; therefore be it

Resolved, That we, the members of the North Alabama Conference, in annual session assembled, heartily endorse this proposed amendment to the Constitution and pledge our best efforts in the campaign for its adoption, and further we urge the citizens composing the membership of the several churches within the territory of this Conference to vote and work for the ratification of this amendment.

We favor this amendment first because Methodism has always stood not only for an educated ministry, but for an educated citizenship; and, second, we recognize that the students in our church schools and colleges must get their elementary training in the public schools of the State, and that the quality of this training determines their future proficiency in the higher branches of education; and, lastly, that the effectiveness of the ministry itself depends to a large extent upon this elementary training.

Whereas, our own church, as is stated in the recent message of our College of Bishops, took the initiative in the movement towards closer federation between the different bodies of American Methodism, and our General Conference of 1914, by unanimous vote,

gave to the principle of unification its endorsement, proposing only a single important modification of the plan as adopted by the Joint Commission on Federation; and

Whereas, the General Conference of the Methodist Episcopal Church has likewise approved the principle of unification, making certain suggestions which are modifications of the plan, and commissioners representing both churches have been appointed to elaborate and further perfect the agreement which later is to be submitted to the Conferences of both churches;

Resolved, That we agree with the General Conference of our church that unification upon the basis of the suggestions contained in the plan of the Commission on Federation is both feasible and desirable. We know that there are difficulties in the way, and that for the task committed to them the commissioners of the two churches need and will seek Divine guidance. We join with nationwide Methodism in prayer for these men, who represent the two Churches in this most important task, that they may reach conclusions that will command the approval of our people, and will be pleasing to the Head of the church.

REPORT OF CHAUTAUQUA COMMITTEE.

Your committee charged with closing up the financial arrangements for the purchase of Shocco Springs as the location for the Chautauqua authorized by the last session of the Conference at Athens report their inability, for various reasons, to close the matter and recommend the appointment of a committee with plenary power to consummate this end. We suggest as the committee: T. S. Plowman, Talladega; J. H. Wilson, Lincoln; E. A. Hammett, Sylacauga; H. B. Rudisill, Anniston; S. T. Slaton; the Presiding Elder of Talladega District; the pastors each of First Church and Trinity, Talladega.

S. L. DOBBS,
J. H. WILSON
For the Committee.

REPORT NO. 1 OF BOARD OF MISSIONS.

We recommend that R. M. Archibald be appointed Conference Missionary Secretary; that J. A. May be appointed Conference Evangelist, it being understood that he be allowed to work for periods not to exceed three months outside the boundaries of the North Alabama Conference; and that R. H. Jones and S. L. Pruitt be appointed Conference Missionary Evangelists to work under the direction of the Conference Missionary Secretary. J. O. Hanes recommended for appointment as General Evangelist.

We recommend that hereafter Friday night be observed as Missionary Anniversary, and that notice of such anniversary be printed in the journal in a "Conference Calendar," together with other anniversaries and stated meetings in connection with the Conference.

Respectfully,

R. F. LOVELADY, President.
JAS. D. HUNTER, Secretary.

REPORT NO. 2 OF BOARD OF MISSIONS.

Reports from our General Board indicate that the work of extending and building up the kingdom in the several foreign mission fields occupied by our church goes steadily on, the most serious barrier being the lack of necessary funds. While we rejoice in the small increase in payment on assessment for Foreign Missions this year, we are still far short of our duty as a Conference in our contributions to this fundamental work of the church. In the face of the many local demands that clamor for support we must never lose sight of the fact that our only practical way of obeying our Lord's command to go into all the world is through the missionary contribution, and that our sole business here is to know God and make Him known. We urge that the greatest possible effort be put forth to pay the missionary assessments in full and that payments be made early in the year. The chaotic state of the world, the need of Christian humanity and the condition of our treasury demand unusual consecration and sacrifice.

We rejoice in the growing sentiment throughout our Conference to make good use of the Sunday school as a missionary force, and especially to allow the funds to go as a freewill offering outside the assessments, as contemplated and strongly urged in the Discipline. We note with gratification the goodly number of Sunday school specials in the Decatur District, where practically one-third of all our Foreign Mission specials were raised this year. The experience of practically all cases where the plan has had a fair trial offers abundant proof that a representative special for missions in the Sunday school helps rather than hinders in the raising of the regular collections and gives to the people a motive that is of great inspirational and spiritual value. We urge upon all our pastors, boards of stewards and missionary committees the importance of so planning their work as to leave the Sunday school free to take some definite objective of its own in harmony with the plans of the Sunday School Board and the General Board of Missions. We call attention to the fact that it is unlawful to apply the missionary offerings in the Sunday school to the general budget or to any other cause than that of missions as administered by our General Board.

We are gratified to observe the increasing interest in Home Missions, especially the work of the country church. When we call to mind that we get practically all our preachers and most of our other leaders from the country, and that condi-

tions have so changed that the country church appears to be losing vigor and influence in a great many communities, we readily see the tremendous importance of strengthening our work there. Our church is peculiarly fitted to meet the needs of the country, and it is our hope that we will recede from no field, however difficult, but will continue to project our efforts along the lines of greatest need and fulfill our God-appointed mission to our rural people. We regard the country life institutes that have been promoted by our Conference Missionary Secretary as of great value, and give to them our hearty endorsement.

We have planned to hold a mid-year meeting with the Presiding Elders in the near future, and trust that at this meeting definite plans may be laid for the every-member canvass in all our charges, resulting in a Conference-wide campaign that shall close not later than the first Sunday in March.

The reports of all our evangelists indicate that they have wrought faithfully and that God has blessed their labors. It is a matter of regret that Rev. J. W. Akin, whose labors have been of such high value as Missionary Evangelist, finds it necessary, on account of his health, to take other work.

We call attention to the fact that our Missionary Evangelists, Brothers R. H. Jones and S. L. Pruitt, are to work under the direction of the Conference Missionary Secretary, and suggest that all Presiding Elders and pastors who desire their services take the matter up with either of them or with Brother Archibald.

It is a matter of deepest regret with us that the condition of our treasury is such as to necessitate a serious reduction in our appropriations this year. In justice to our policies for the last several years we deem it proper to state that this reduction is not because we have a paid secretary in the field, but because we have on several occasions appropriated beyond our ability, and the collections have fallen off nearly \$2,000 in the two previous years. After putting our secretary in the field our appropriations grew steadily until two years since, when we appropriated \$8,000, the largest amount in the history of the Conference. At that Conference the collection fell off \$1,063, and a year later, notwithstanding the fact that the collections for Home and Conference Missions were about the same as the preceding year, the ratio had been so changed as to cause a loss of \$740 for Conference Missions. These causes have thrown upon your Board a debt that must be liquidated. We wish it well understood that at no previous time have we appropriated less than the amount provided by our by-laws, and usually have appropriated from \$100 to \$300 additional as a result of special funds that have been turned over to the regular treasury by the secretary. We desire also to impress upon your minds that the Haleyville District has been made possible, both in its organization and continuance, by the special collections of our secretary. We have known of no better home mission work than has been done in that district, and, so far as we are able to see, but for the work of our secretary much of the interior and problematic portions of that district would have been utterly lost to our Methodism. In addition to supporting the Presiding Elder of this district, his special collections have sustained our missionary evangelistic work (which has richly blessed many of our disadvantaged communities and added many hundreds to our church), have provided from \$300 to \$500 annually for Flat Rock school, have paid the expenses of our Conference Lay Leader, added substantially to the regular treasury from year to year and provided for many emergency cases. To put it upon the lowest plane, and upon a conservative basis, our secretary has raised for the last several years an average of \$1,500 more than he has cost your Board, and these funds have been invested in such manner as to produce the best possible results. We would not forget that from \$2,000 to \$4,000 has been paid annually for Foreign Missions, special, as a result of work that he initiated, to say nothing of the many collections taken for pastors' salaries and the regular assessments and the educational and spiritual value of his labors.

We present herewith the report of the Auditing Committee:

Report of Auditing Committee.

Auditing Committee.----

Your Board has authorized the Secretary and Treasurer to provide for the payment of the first quarter's drafts in advance, and that thereafter payments will be made at the end of the quarter instead of the first. In view of the condition of the treasury and the needs of our men it is of the greatest importance that payments on assessments for Home and Conference Missions be made as early as possible. We would remind you that, owing to the proportionate assessment upon this Conference for Home Missions, and the distressingly low assessment that we have been making for Conference Missions, the ratio of division is the highest in our church, 38 per cent of the total amount being, under the law, directed to Home Missions. We recommend an assessment for Conference Missions of \$11,400.

Under our by-laws we have at our disposal this year \$6,768, which we have appropriated as follows:

| | |
|---------------------------|-----------|
| Interest at bank..... | \$ 400.00 |
| Expense of Treasurer..... | 50.00 |
| Printing Minutes..... | 274.00 |
| Retirement of debt..... | 544.00 |

Total.....\$1,268.00

This leaves a balance of \$5,500 for appropriation.

REPORT NO. 1 OF THE BOARD OF EDUCATION.

At the last session of the Conference Athens College was authorized to appeal to the church for \$125,000.00, to be used in liquidation of the debt upon and to endow the college. It was thought at the time that by a whirlwind campaign the work could be accomplished within a few weeks.

Unforeseen circumstances made this impossible, and a comparatively small section of the Conference was worked. However, about \$40,000.00 was secured. Your Board believes that this work should be continued until the goal is reached. It therefore unanimously requests Bishop Denny to appeal to the Conference now in session, and to continue the valuable aid he has hitherto given to the administration in the prosecution of this work.

(Signed)

G. W. READ, Secretary.

REPORT NO. 2 OF THE BOARD OF EDUCATION.

Satisfactory reports have been made to us by the authorities of the various colleges belonging to the Conference.

Though a change in administration has been made both at Birmingham College and at Athens College, there has been no shock, as was feared, but the new Presidents have taken up their work without friction or appreciable loss of momentum.

We note with great joy the progress made by Emory University, and we recommend that the Conference approve the plan of its trustees to erect upon the campus a building to be known as Alabama Hall.

Upon the resignation of Miss Mary N. Moore as President of the Athens College in June, 1916, there were outstanding debts amounting to \$13,600.90 incurred by her in the administration of the college.

Miss Moore possessed assets owned by her individually estimated to be worth \$14,958.41. These assets consisted of real estate in Athens, forty acres in Limestone county, lots in Crestline, near Birmingham, accounts due from patrons and college furnishings purchased by her since the date of her assignment to the college, in February, 1914, of personal assets at that time belonging to her.

Miss Moore proposed to the Board of Trustees to transfer to it the assets belonging to her in consideration of being relieved from the obligations above referred to. While neither the Board nor the Conference was responsible for these debts in a legal aspect, yet in view of the fact that they were incurred for the ongoing and welfare of the college, the Board deemed it fair and just to Miss Moore to take over the assets tendered by her and assume the debts, and this was accordingly done.

We indorse the action of the Board in this respect, and recommend that it be ratified and confirmed by this Conference.

As a large portion of the assets consist of furnishings for the college, including pianos, bed room furniture, laboratory equipment, opera chairs and stage curtains for music hall, etc., which are necessary for the equipment of the college, and cannot therefore be dispensed with nor sold, there will be a deficit between the amount realized out of such assets as it is desirable to sell and the amount of the indebtedness assumed amounting to probably \$6,000.00.

We recommend that the trustees be authorized and directed to apply on these claims each year, including this, the excess of the Conference collections for the college over and above the amount of the annual interest due on the mortgage debt upon the college property, provided the holder of the mortgage will consent to this arrangement.

We also recommend that the Board, through its Executive Committee, be authorized, in their discretion, to accept the cash surrender value of the life insur-

ance policies heretofore assigned by Miss Moore to the college, namely: Policies 502,111-502,112 in the Mutual Benefit Life Insurance Company for \$2,500.00 each, and apply the proceeds thereof to the reduction of the debts herein referred to.

We recommend that the Board proceed to sell the real estate conveyed by Miss Moore in the deed hereinabove referred as speedily as possible, and to the best advantage, and to apply the proceeds to the reduction of these debts; and in order that the provisions of the amended charter in reference to the sale of real estate owned by the college may be complied with, we recommend that this Conference adopt the following resolutions:

"Resolved, That the trustees of Athens College for Young Women, of Athens, Alabama, be and are hereby authorized, empowered and directed to make sale and conveyance in accordance with the amended charter for the best price, and upon the best terms obtainable, of all real estate conveyed to 'The Trustees of the Athens Female College' by Miss Mary N. Moore, particularly described in her deed to it, bearing date of, to-wit: June 27th, 1916; and to such sale and conveyance of such property as may be made in accordance herewith, this Conference in annual session hereby expresses and manifests its assent and concurrence."

In this connection we are pleased to report that the trustees have received an offer of about \$3,800.00 for the real estate situated in Athens.

We are also advised that the trustees have something like \$2,000.00 in subscriptions which they propose to apply on this indebtedness. If this much is realized from this source, and the life insurance policies above referred to are sold for their cash surrender value of about \$1,500.00, there will remain of the deficit only about \$2,500.00 or \$3,000.00, which can be taken care of in part, at least, by the application thereto of the excess of Conference collections for Athens College over and above the interest on mortgage debt, as hereinabove stated.

We also recommend the adoption of the following paper presented to us by the trustees of Birmingham College:

Be it resolved by the North Alabama Conference in regular session assembled, that the Board of Trustees of Birmingham College are hereby authorized and empowered to mortgage the following described real property belonging to the Birmingham College, to-wit:

is hereby had; also the following property described as follows: Beginning at a point on the northeast corner of the Highland Lake Land Company property, which lies in the south half of section 33, township seventeen (17), range three (3) west, and the north half of section four (4), township eighteen (18), range three (3) west, as shown by the map of Arthur Owen Wilson, recorded in Map Book 1, pages 112 and 113, in the Probate Office of Jefferson county, Alabama, thence south eight hundred and seven and 8-10 (807.8) feet, thence west six hundred and seventy-five (675) feet, thence north three hundred and fifty-five (355) feet, thence west two hundred (200) feet, thence north two hundred and thirty-eight and 1-10 (238.1) feet, thence west fifty (50) feet, thence north two hundred and fifty-four and 2-10 (254.2) feet, thence east nine hundred and twenty-eight and 2-10 (928.2) feet to the point of beginning, said tract being the same property heretofore conveyed by Highland Lake Land Company to Anson West and others, by deed recorded in volume 337, on page 398, in the office of the Judge of Probate of Jefferson county, Alabama, to which reference is hereby had; also lot number seven (7), in block number five (5), of the Enterprise tract of the survey of the Pleasant Valley Land and Manufacturing Company, lying in section eighteen (18), of township eighteen (18), range three (3) west; also lot number fifteen (15), in block one hundred and sixteen (116), according to the map and survey of the East Lake Land Company, which is of record in the office of the Judge of Probate of Jefferson county, Alabama; also lots number seven (7), eight (8) and nine (9), in block number fifty-eight (58), according to the survey of the land of the Birmingham-Ensley Land and Improvement Company, as shown and designated on the duly recorded map thereof in Map Book one (1), page two hundred and forty-five (245), in the office of the Judge of Probate of Jefferson county, Alabama. All of said property above described being situated in Jefferson county, Alabama.

The purpose of the above authorization is to enable the said Board of Trustees to pay for any buildings or improvements heretofore made or erected, or which may hereafter be made or erected upon the property of the Birmingham College.

The debt to be secured by the mortgage above authorized shall not exceed thirty thousand (\$30,000.00) dollars.

The Board of Trustees of Birmingham College are hereby authorized to do or cause to be done any and all things necessary or deemed necessary to carry out the purpose of this resolution.

It is understood that this authorization is null and void and of no effect unless exercised within twelve months from the passage of this resolution.

The Conference Treasurer reports that \$15,152.75 has been paid on the educational assessments. This is but 52 per cent.

We respectfully suggest to the preachers that where the connectional claims are presented as a whole, that in case the amount is not sufficient to pay them all, that each claim be given its pro rata share. We respectfully request the Presiding Elders to see that this is carried out as far as they possibly can.

REPORT OF EPWORTH LEAGUE BOARD.

We, your Epworth League Board, note with pleasure the progress of the League in Conference, as is shown by the fact that nine districts are organized.

The League spirit is growing. Let our pastors see that Anniversary Day is observed and the collection taken and the proceeds sent to F. M. Cottle, Treasurer, Gadsden, as directed in paragraph 309 of the Discipline.

We heartily recommend the Epworth Era to all our people, and hope it will reach 30,000 soon.

We respectfully request the District Conferences and the Annual Conference to give a special hour to the interest of the Epworth League.

R. E. TYLER, Chairman.

BOYD T. CANTRELL, Secretary.

REPORT OF SUNDAY SCHOOL BOARD.

Our literature enhances in fitness and excellence of subject matter. The teacher training text books and plans are admirable. The Wesley Bible Classes are recruiting hundreds of choice souls. The district organization has been a missing link, which is now supplied in six districts. We urge the presiding elders, pastors and superintendents to procure the leaflet on district organization, by C. J. Nugent, read, mark and inwardly digest contents.

The Wesley Bible Class Federation was organized in Birmingham in June. Competent authority declares it is one of the best held anywhere in Southern Methodism. Unless our pastors and superintendents magnify the Children's Day and offering, the General Board will be without funds to carry out the General Conference instructions. Make this day universal, and new life blood will carry health and healing to all our Sunday-school activities. It is indispensable to Methodism.

Our Field Secretary Wolford is a human dynamo. His report is a standard in brevity, variety and minimum cost of operating expenses.

Divisional Secretary Dietrich is reducing facts, forces and figures to a model of convenience and instructiveness.

Through the organized Sunday school we shall realize John Wesley's idea of a New Testament church,—“All at it and always at it.”

We recommend that the same assessment as last year be made, and hereby declared permanent on the basis of the support for P. E. and P. C.

We request Bishop Denny to appoint Rev. C. Wolford Field Secretary for the North Alabama Conference.

HARRY W. RICKEY, Secretary.

REPORT OF BOARD OF CHURCH EXTENSION.

We, the Board of Church Extension, beg leave to submit the following report:

We call your attention to the fact that at the last meeting of the General Board they passed a resolution requiring all applications must be accompanied by the plans and specifications of the building for which aid is asked.

We note with great pleasure the increase in the collections for church extension and are gratified to see that the church is seeing more and more the importance of Church Extension. We note also that 23 charges failed to pay anything last year to this work and some of them paid specials to other interests of the Church. We ask our brethren not to make such distinctions between the great interests of our Church. Our loan fund is increasing nicely. We have now on

the loan fund \$5,391.31, and a lot given by Bro. L. G. Pettyjohn, estimated \$300.00, making the total value of \$5,691.30. We hope during the coming year to increase this very much.

REPORT OF AGENT OF SUPERANNUATE HOMES.

Birmingham, Alabama; November 1, 1916.

To the Bishop and Members of the North Alabama Conference:
Dear Brethren:

We rejoice in the continued manifestation of the presence of God in our effort to provide homes for the superannuated preachers of our Conference, and widows and orphans of deceased preachers.

Judge Mack Pearce and his good wife donated about one hundred and fifty acres of land near Hamilton, Alabama. We believe this will prove a valuable donation to the Church.

We have bought a good home at Springville, in Gadsden District. It will be known as the John E. Morriss Memorial, in honor of John E. Morriss, (deceased) the founder of this great movement. The home will be occupied by Rev. McD. Howell, who will superannuate at this session of our Conference. Rev. C. C. Godbey, our efficient pastor, and his good people of Springville, rendered valuable assistance in securing that home.

The Letsinger farm near Sheffield, Florence District, has been rented for \$175.00 standing rent, and the rent paid to date.

The "Malinda Rowe and Matha Rowe Watkins" Endowment Fund for superannuate homes, \$1000.00, was loaned to J. D. Moore, of Moore and Handley Hardware Company, last April, the same to bear interest at 8 per cent per annum. The interest has been paid to date. N. M. Rowe and his nieces, Mrs. Helen W. Roundtree, and Miss Carrie H. Watkins, made this donation to start an endowment fund for superannuate homes, said fund to be permanently invested by the Board of Trustees for Superannuate Homes, North Alabama Conference, Methodist Episcopal Church, South, in any way they may think best, and the interest from said fund shall be used in building or providing new homes, repairing homes, or any other way the Board may direct, for the good of the movement. Bro. Rowe informs your agent that this fund will be increased by them later on.

Some repairs and improvements have been made during the year.

The homes are kept insured and premiums paid to date.

It is worthy of special note that our claimants as a whole, take pains to keep the homes in good repair, and beautify the same by planting shrubs and flowers.

We have thirty-five homes.

Our cash receipts aggregate\$ 4,430.00

The approximate value of our homes is..... 78,000.00

The approximate value of homes pledged is..... 33,000.00

We have in subscriptions about..... 3,000.00

Your agent has had the hearty co-operation of your excellent Executive Committee, composed of Rev. L. C. Branscomb, D.D., Chairman; J. D. Moore, Treasurer; F. I. Tarrant, E. J. Garrison and Rev. J. D. Simpson, D.D., and also your able Board of Trustees, composed of all the Presiding Elders of our Conference, and one layman from each district.

We appreciate this beyond expression.

Our efficient Treasurer, Bro. J. D. Moore, deserves the special thanks of our Conference for his faithful service, without compensation, since the inauguration of this great movement.

We beg continued interest in your prayers, that the Great Head of the Church may enable us to make adequate and comfortable provision for all of our Conference Claimants.

Respectfully submitted,

J. W. NORTON, Agent and Trustee.

REPORT OF TRUSTEES OF SUPERANNUATE HOMES.

The Board of Trustees for Superannuate Homes met at the Methodist Church at Bessemer, October 31st, 1916.

The Board is delighted to note the continued progress of this good cause during the year, as seen in the reports of our Executive Committee and our efficient agent, Rev. J. W. Norton. The Executive Committee ratified and approved the expenditures of our Agent and Treasurer during the Conference year. We appreciate the faithful and excellent service of our Agent, Rev. J. W.

Norton, and respectfully recommend him to the presiding Bishop for re-appointment to this work for another year.

We recommend the election of Dr. W. L. Dinsmore in place of J. L. Brock, Decatur District, J. H. Walston, Florence District, and S. S. Caldwell, Gadsden District, Trustees four years, as their term of office expires at this Conference.

L. C. BRANSCOMB, President.

IRA F. HAWKINS, Secretary.

REPORT OF THE TREASURER OF LEGAL CONFERENCE.

Your Treasurer reports that there has been no change in the assets of the Legal Board, which consists of six one thousand dollar bonds of the Pratt Coal Company, and seventeen shares of the preferred stock of the Moore & Handley Hardware Company. The bonds bear interest at the rate of 5 per cent per annum and the preferred stock at 7 per cent per annum. Herewith I hand you my check for four hundred fifteen dollars (\$415.00), which please hand to Joint Board of Finance, this being the annual interest on the same.

Respectfully submitted,

J. D. MOORE, Treasurer.

REPORT OF COMMITTEE ON DEEDS AND CHARTERS.

To the North Alabama Conference of the Methodist Episcopal Church, South:

Your Committee on Charters has, as directed, investigated the status of the Conference with reference to its incorporation as a legal body, and respectfully reports.

By an Act of the General Assembly, approved January 27th, 1852, the Alabama Conference of the Methodist Episcopal Church, South, was created a body corporate by the name of the "Annual Alabama Conference of the Methodist Episcopal Church, South."

At a session of the Conference in 1863 the Alabama Conference was divided into two parts, one of which was called the Mobile Conference, and the other called the Montgomery Conference.

By an Act of the General Assembly, approved December 10th, 1864, the itinerant preachers of the Montgomery Conference were created a body corporate under the name of the "Annual Montgomery Conference of the Methodist Episcopal Church, South."

At a session of the General Conference in 1870 the greater part of the territory which had been embraced within the limits of the Mobile Conference and the Montgomery Conference was united in one conference under the name of the "Alabama Conference of the Methodist Episcopal Church, South," and the North Alabama Conference was created out of the remainder of the territory formerly embraced in the Montgomery Conference, together with other territory.

At a meeting of the North Alabama Conference, held in November, 1870, a committee of three was appointed to consider what steps were proper to be taken to have the conference incorporated. On the day after the appointment of this committee, Hon. W. B. Wood made a report for the committee recommending the election of nine Trustees for the North Alabama Conference, and he was appointed a committee of one to procure from the Alabama Legislature an Act of Incorporation.

At the session of the Conference in 1871, Hon. W. B. Wood made a report. the character of which was not shown, and he was continued as a committee to "consummate the matter."

An act of the General Assembly of Alabama was approved on January 25th, 1871, recognizing and declaring the Annual Alabama Conference, as it was then organized by the action of the General Conference, to be the successor in law and equity of the Annual Alabama Conference of the Methodist Episcopal Church, South, incorporated January 27th, 1852, and as then organized, it was declared to be entitled to the possession, control and enjoyment of all property and rights of property which its predecessors, or either of them had or would have.

On March 22d, 1873, an Act, of the General Assembly was approved, entitled, "An Act in relation to the Annual Alabama Conference of the Methodist Episcopal

Church, South, and to define the boundaries, rights and franchises of said conference, and of the North Alabama Conference of said Church." It recites the action of the General Conference of 1870, defining the boundaries of the Alabama Conference and the North Alabama Conference. It declares that the rights, privileges and franchises granted to the Alabama Conference by the Act of January 25th, 1871, shall be confined to the limits of the Alabama Conference, as defined by the General Conference, and the rights, privileges and franchises vested in the Annual Alabama Conference and other conferences from which it was composed, were given, granted and vested in the North Alabama Conference within its limits and jurisdictions. It also declares that the corporate name of the ministers and members composing said conference is the North Alabama Conference of the Methodist Episcopal Church, South.

This Act was probably unconstitutional in so far as it undertook to incorporate the North Alabama Conference or to confer any rights or powers on such conference.

The unconstitutionality of this Act was apparently noted, and as the Constitution of 1901 prohibited the Legislature from creating corporations by a special act, a general act was passed at the session of the Legislature in 1903, providing for "Incorporating Annual Conferences of Itinerant Ministers of the Gospel, and Amending the Charter Thereof." (Acts of 1903, page 234.) This Act appears as Sections 3593 to 3596, inclusive, of the Code of Alabama of 1907. It provides, among other things, that "whenever any Annual Conference has heretofore been organized according to its branch of the Christian Church, but has not been incorporated, or the act of incorporation is for any reason believed to be defective, etc., the said conference may become a body corporate under this Act as the successor of said unincorporated or defectively incorporated body.

The Journal of 1902 contains the following:

"The Legal Conference presented a resolution adopted by it requesting the Conference to adopt the Committee on Homes for Superannuates as the Legal Conference of the North Alabama Conference, and the legal successors of the present Legal Conference; that the Committee secure incorporation as the Legal Conference, and take charge of all the funds, in whatever form now held by the Legal Conference, and that the existing Legal Conference be dissolved and relieved of further responsibility; and on motion it was so ordered by the Conference.

In compliance with the provisions of the Act above noted, Jesse C. Persinger, Samuel L. Dobbs, John R. Turner, Joseph I. Williams, George E. Boyd, Edward Fulmer, William F. Andrews, Lewis C. Branscomb, and Virgil O. Hawkins filed in the office of the Secretary of State, on the 23d day of June, 1904, a declaration for the incorporation of the North Alabama Annual Conference of the Methodist Episcopal Church, South, and on the 23d day of June, 1904, a certificate of incorporation was duly issued by the Secretary of State.

The Committee would, therefore, report that, in its opinion, the Conference has been duly incorporated and is now a valid and existing corporation.

There have been irregularities, however, in the matter of the election of the Trustees, or "corporators," as they are called in the declaration filed in the office of the Secretary of State. This declaration fixes the term of the corporators so that two corporators who are ministers of the gospel and two who are laymen shall be elected each year.

The ministerial corporators were the presiding elders of the several districts, and it seems to have been considered that the presiding elders subsequently appointed became by virtue of their appointment as presiding elders the Trustees or corporators of the Conference. This, however, is not in accord with the declaration, which provides that "Upon the expiration of the terms of office of the corporators above named, the ecclesiastical conference above named shall elect successors thereto, who shall hold office for five years, and that whenever a vacancy in the office of corporator occurs, from any cause, the said ecclesiastical conference shall elect a successor, who shall hold the office for the unexpired term."

We are not able to find from the Minutes that any action has been taken by the Conference for the election of the presiding elders as corporators, nor are we

able to find any record of the election of the laymen who are shown by the Minutes of 1915 to compose the Legal Conference.

Your committee infers that it was the purpose of the Conference that the Committee on Homes for Superannuates should constitute the first Board of Trustees of the Conference. It does not appear, however, from the subsequent proceedings that it was the purpose that the Trustees of the Conference should necessarily thereafter be the Committee on Homes for Superannuates. This is indicated by a report of the Board of Trustees of Superannuate Homes, made at the Conference in 1914, which is as follows:

"As there is no specified length of time for the service of the laymen on the Board of Trustees for Superannuate Homes, we recommend that the constitution be, and is hereby so amended that a term of four years be fixed as the regular term of office, and that three of these Trustees be elected each year at the annual meeting of the Board of Trustees; and we further recommend that all the lay members be re-elected at this meeting, three of them for one year, three for two years, three for three years, and three for four years. This amendment is also to include the election of two Trustees-at-Large, one clerical and one lay, every four years, as heretofore provided for."

It will be noted that the Legal Conference consists of the presiding elders and twelve laymen and the Board of Trustees for Superannuate Homes consists of the presiding elders and fourteen other trustees, one layman from each district, and two Trustees-at-Large, one clerical and one lay.

Your committee is of the opinion that the corporate body should not be looked upon as distinct from the ecclesiastical body. All of the members of the conference, both clerical and lay, should constitute the body corporate, and they should, in a sense, bear the same relation to the corporate body that the stockholders of a business corporation bear to the business corporation, and the corporators or Trustees of the Conference should be the Board of Directors, and exercise substantially the same powers that the Board of Directors of a business corporation exercises.

The Act of Incorporation authorizes the body corporate to make by-laws for its government and also to prescribe the number and qualifications of its members. Your committee would, therefore, recommend that a code of by-laws be adopted for the government of the Legal Conference, and that the by-laws provide that all members of the Conference, both ecclesiastical and lay, shall be members of the Legal Conference. The by-laws should further provide that the corporators, who should, in the opinion of your committee be called Trustees instead of corporators, shall have and exercise all necessary powers relating to the property and property rights of the Conference. Provisions should also be made for the election of the corporators or Board of Trustees, and it would perhaps be proper to provide that the clerical members should be the presiding elders of the Conference, and that they shall not be elected for any definite term, but shall be Trustees by virtue of their offices as presiding elders, or ex-officio Trustees.

If this recommendation meets with the approval of the Conference, we would further recommend that a committee be appointed by the Legal Conference to draft a code of by-laws for its government.

The committee further reports that the recommendations made by it at the last session of the Conference with reference to the amendment of the charter of the Athens College have been complied with. The amendment to the charter which was substituted by the Trustees of the college to this Conference at its last session has been approved by the Tennessee Annual Conference, and the amendment has now been approved by the Governor and filed in the office of the Secretary of State.

Respectfully submitted,

F. L. ALDRIDGE,
W. E. MORRIS,
W. P. ACKER,
Committee.

ORDINATION.

This certifies that, I, Collins Denny, one of the Bishops of the Methodist Episcopal Church, South, after a sermon preached by me in the Methodist Episcopal Church, South, in the city of Bessemer, State of Alabama, on the fifth day of November, in the year of our Lord, nineteen hundred and sixteen, did ordain each of the following traveling preachers to the office of Deacon in the Church of God, each one having been elected to that office by the North Alabama Annual Conference of the Methodist Episcopal Church, South: William D. Barnes, Lewis Avery Busby, Wilson Mack Buttram, Benjamin Lewis Dobbs, William Graham Echols, Carl C. Gregory, William Thomas Hamby, Benjamin Franklin Hammond, Roy Hewlett, Andrew Valentine Jones, Benjamin K. Kelley, Charles Harper Lane, Raleigh Belton Lavender, Samuel Uyless Lemmond, Largus Pierce Martin, John McConatha, William Marion Treadaway, George Edward Turrentine, Lewis Sair Wessinger and Thomas Marion Wynn; and each of the following local preachers to the same office of Deacon in the Church of God, each of them having been elected to that office by the same Annual Conference of the same Church: Samuel Perry McCay, Lonnie Gordon Alverson and William Franklin Standifer.

In this service, Ira F. Hawkin, an Elder in the Church of God, read the Epistle.

Immediately after the ordination of the Deacons, assisted in the laying on of hands by the Elder named above and also by S. R. Lester, J. T. Morris and L. C. Branscomb, all Elders of the Church of God, I ordained each of the following traveling preachers to the office of Elder in the Church of God, each one having been elected to that office by the same Annual Conference of the same Church: Julius Sylvester Blackmon, Clyde Hollis Bobo, Alford Nathan Burns, Owen Ruskin Burns, John Wesley Curl, William Munroe Harris, Washington Lee Holdridge, Willis Timmons Howard, Roscoe McDaniel Howell, William Sylvester Hullett, James Everett Jenkins, Spencer Octavius Kimbrough and John Fletcher Sturdivant; and the following local preacher to the same office of Elder in the Church of God, he having been elected thereto by the same Annual Conference of the same Church: Robert Minor Wilkes.

In this service, S. R. Lester, one of the Elders named above, read the Gospel.

Fred J. Schlosser, whom the same Annual Conference of the same Church received into the traveling connection from the Missionary Baptist Church and whose office of an Elder in the Church of God was recognized, took the vows with those who were ordained to that office.

Given over my hand in the City of Bessemer, State of Alabama, this fifth day of November, in the year of our Lord, nineteen hundred and sixteen.

COLLINS DENNY, Bishop in Charge.

REPORT OF THE PUBLISHING COMMITTEE OF THE ALABAMA CHRISTIAN ADVOCATE.

To the President and Members of the North Alabama Conference:

We, your Committee charged with the task of supplying the church with a Conference paper, beg leave to submit the following recommendation:

RESOLVED, That in order to continue the publication of the Alabama Christian Advocate and to sustain the paper in a worthy manner.

First, that this Conference agrees to an assessment for the Advocate amounting to two per cent on the amount paid for the support of the ministry.

Second, that we cordially invite and urge upon the Alabama Conference that they continue with us as in the past, in the publication of the Advocate, and that they make an assessment for the Advocate of one per cent on the amount paid for the support of the ministry.

Third, that in the event the Alabama Conference joins with us in the support of the Advocate, and makes the assessment suggested, then the assessment made by this Conference shall be one per cent, instead of two per cent, on the basis of the amount paid for the support of the ministry. The apportioning of the assessment for the North Alabama Conference being withheld until after the meeting of the Alabama Conference.

(Signed)

J. S. ROBERTSON, Chairman.
S. T. SLATON, Secretary.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

We, your committee on books and periodicals, beg leave to submit the following report:

We note with satisfaction that the business of our publishing house is increasing and that the institution is in sound financial condition. We call attention to the high quality of our Sunday school literature and urge every Methodist Sunday school to patronize our own publications. The Methodist Review is maintaining its high standard under the able direction of Dr. H. M. DuBose. We recommend it to all our preachers and laymen. The Missionary Voice and Epworth Era are worthy of the loyal support of the church.

The Christian Advocate maintains its high standards of excellency, and we are glad to note that it is a free and fair forum for the discussion of the great questions of interest to the church. It should be read by all the preachers and by every official member. We recommend the appointment of Dr. J. S. Chadwick Assistant Editor of the Christian Advocate.

The Alabama Christian Advocate has had a year of marked progress. Over three thousand new subscribers have been added to the list. We heartily commend the splendid work which has been done for the paper by Dr. L. C. Branscomb. He is due the thanks of Alabama Methodism for the work he has accomplished.

We recommend that the month of January be set aside for special efforts in behalf of the Alabama Advocate. The paper deserves a place in the home of every Methodist family, and we urge that this be the goal set for our attainment during the coming year. We recommend the appointment of Dr. L. C. Branscomb, Editor of the Alabama Christian Advocate.

J. H. MEANS, Chairman.

EDWARD G. MACKAY, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee on Temperance rejoices that our cause is growing by leaps and bounds. Nineteen states are now under prohibition, while we are confidently expecting several others to win victories this year. The law of prohibition for Alabama is perhaps better enforced than any other law. We give due credit to the prohibition press of our state, to the Alabama Anti-Saloon League; to the Woman's Christian Temperance Union; the Attorney General of Alabama and his assistants; to many of our honorable judges; and to the determined Christian manhood of our state who are fixed in their resolutions to see that this law against the illegal sale of liquor shall be enforced. To show how well it is observed, we point with pleasure to the Confederate Veterans' Reunion in May, last, and to the Alabama State Fair held recently, both of which were held in Birmingham. At the former there was not an arrest made for drunkenness or disorderly conduct, while at the Fair, although hundreds of thousands of people were in attendance from all over the country, there was not an arrest made for any cause; neither did a single accident occur. The police and sheriff's forces say prohibition was the cause.

We heartily commend the work of Rev. J. C. Persinger the past year. While there was no contest waging, yet he was busy speaking, working and writing in the interest of our great reform.

We rejoice also at the return to Alabama of Rev. Dr. Brooks Lawrence, and his election to the superintendency of the Anti-Saloon League, and pledge him our hearty support in his efforts to keep Alabama in the dry columns. We note great signs of distress and uneasiness in some quarters which are hostile to prohibition, over Dr. Lawrence's return, but we are in no wise disposed to go to their relief or to try to heal their wounded hearts. Our cause is very much alive these days. Therefore, Resolved, That we thank God that prohibition is more successful and popular today in this great state than ever. It is a safer place to invest money and rear children than ever before.

Resolved, 2nd, That we thank God for the good prospects we have of national prohibition, and shall continue to work and pray until this whole nation shall be free from the legalized liquor traffic.

L. F. WHITTEN, President.

C. E. MITCHELL, Secretary.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, urge our people to heed the command of God: "Remember the Sabbath day to keep it holy."

Intemperance is not our greatest evil today. The Sabbath is the water supply of all reforms. Men and boys who desecrate the Sabbath will not long vote against whiskey or gambling, or even fight political corruption. If one reform be singled out for church promotion because of its influence on all others Sabbath Observance would have the first claim. The keeping the Sabbath commandment tends to the keeping of all others. The Sabbath was set apart by God for worship. It comes in God's plan of salvation for man, he needs the Sabbath, he is tempted to forget God without it.

We note with regret that in many instances the Sabbath Day is desecrated by automobile touring, open cigar and cold drink stands, railroad excursions, Sunday picnics, picture shows, and games of various kinds.

We recommend that our pastors preach frequently on Sabbath Observance, that it may be a day of worship throughout our nation and the world.

GEO. M. HALL, Secretary.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

We, your Committee on District Conference Records, beg leave to make the following report:

We have examined all the records and find them well kept. Some of them are in excellent condition.

Very respectfully,

W. M. SELF, Chairman.

L. W. YOUNG, Secretary.

REPORT OF THE BIBLE SOCIETY BOARD.

The Bible Society Board begs leave to submit the following report:

Realizing that the Bible has been a great blessing to America, in that it has given to us a code of laws and principles and ideals which have resulted in making this a great Christian country, we feel it our duty to give the same to all the world.

The needs are great, since only about \$86,000 in endowment, together with some small contributions, make up the funds of the Society. And since the home agencies alone have necessitated an expenditure of more than \$100,000 a year, and since the needs abroad are still greater, and since the Society Budget for the coming year is only \$652,300, we urge the pastors to see to it that every congregation be given once each year an opportunity to contribute toward the support of this worthy cause.

REPORT OF ORPHANAGE COMMITTEE.

Selma, Ala., October 25, 1916.

To the Conferences:

The Alabama Methodist Orphanage has enjoyed a year of fruitful work. No deaths and little sickness, though some of the children are not healthy when received. Only one death during the administration of Superintendent J. C. Craig. The good physicians and dentists of Selma give their practice free of charge and the public schools of the city furnish fine opportunities for the children. Several of the larger girls are in high school and will soon finish the courses. The Board of Directors have held two official meetings since the last Conferences and the Executive Committee holds monthly and perhaps twice that number of call meetings.

C. M. Howard resigned as Treasurer, and W. F. Ormond was elected in his stead and will give bond in a Fidelity Company.

We reported last year number of children in the Home, 100; received during the year, 27; discharged, 35; present inmates, 92. From the North Alabama Conference, 44; from the Alabama Conference, 48; total, 92.

The payments were made on the Jasper property but the balance due by Dr. J. U. Battee on the Summerfield property of \$615.00 and interest is still due and unpaid. We have \$17,800, the balance on the Birmingham property, in hand, and a mortgage for \$8,900.00 from the same source. The interest only on this can be used under the terms of the will and it is to be invested under the direction of the Chancery Court of Jefferson County.

We will pay the last \$2250 due on the debt and our property is now unincumbered. But this draft will leave a small balance in the treasury and necessitates prompt remittance from the Conferences to avoid embarrassment. We hope to soon be in position to add a hospital and a laundry to the physical properties. We heartily commend Bro. J. C. Craig in his work, and request the Bishop to re-appoint him as superintendent. J. H. Wilson was elected President, J. M. Dannelly Secretary and W. F. Ormond Treasurer.

MEMOIRS

DAVID TURNER DYE.

David Turner Dye, son of William Wesley and Jane Dye, was born near Sanford, Lee County, North Carolina, June 29, 1844; died at superannuate home near Lincoln, Ala., April 12, 1916.

He was converted at Poplar Springs church, Lee county, North Carolina, August, 1861. In 1862 he joined the Confederate army, and served with the Fifth North Carolina Cavalry under that prince of Cavaliers, Gen. J. E. B. Stuart. After the death of General Stuart, he served under General Wade Hampton till the close of the war.

October 8, 1874, he was married to Mrs. Mary Utley. To this union were born two daughters, one of which died in infancy; the other (Mrs. A. H. Roberson), died December 1, 1912. The mother of these children died August 16, 1878. In March, 1883, he moved to Birmingham, Ala. He was licensed to preach at Wesley Chapel, Jefferson County, Ala., November 6, 1884; joined the North Alabama Conference at Gadsden, Ala., November 23, 1885; ordained deacon by Bishop Hargrove at Anniston, Ala., 1888; ordained elder by Bishop Galloway, Decatur, Ala., 1891. He was remarried to Miss Mary R. Cochran, of Huntland, Tenn., March 11, 1891. To this union were born four children—one son and three daughters. These all survive him.

He served the following charges: Paint Rock circuit, 1886; Flint Circuit, 1887; Bethel Mission, 1888; Baileyton Circuit, 1889; Paint Rock Circuit, 1890-93; Arkadelphia Circuit, 1894-5; Langston Circuit, 1896; Baileyton Circuit, 1897-8; Pleasant Site Circuit, 1899-1903; Phil Campbell Mission, 1904-5; Cambridge Circuit, 1906-7; Union Grove Circuit, 1908. With this year his labors as an active itinerant preacher ended, and by the action of the Conference he passed to the "honor roll," to be numbered with the "Old Guard"—the roll of superannuates. In this connection he remained till called to his reward.

Brother Dye was modest and retiring in his manner. He had his limitations and acknowledged them, as few men are inclined to do. It will be seen from the list of appointments he served he had only the poorest grade of charges in the Conference, and yet without murmur or complaint he accepted them as the gift of Providence from the hands of the Bishop and his Cabinet.

In looking over his diary, we have made this summary: Served 23 years; 12 pastoral charges; average salary barely \$300; held 132 protracted meetings, from which he witnessed 655 conversions. Many men with better equipment and greater opportunities than had Brother Dye cannot summarize greater results.

The writer feels in closing this memoir of this faithful servant of God that it is due his helpful wife to say she bore her part as a heroine indeed in the life of sacrifice and self-denial. In a note received from her a few days after the death of her husband, she used this paragraph: "We have always lived in poverty, and I have had hard work, but my lot has been a happy one, for I would rather have shared the joys and sorrows of such a man than to have been the wife of a millionaire, for he was a child of a King."

"When the roll is called up yonder," and rewards are dispensed by the just and righteous Judge, and God's faithful toilers see their share of the grand aggregate in store for them, then Brother Dye and his self-sacrificing companion in his ministry will realize that their work was not in vain in the Lord.

S. L. DOBBS.

JAMES HENRY LESLIE.

James Henry Leslie, only son of Wilson Leslie and Ellen Moore Leslie, was born near Gadsden, Ala., March 4th, 1857. His maternal grandmother, Mary Jones Moore, was of that distinguished family of Joneses for whom Jones Valley is

called, in Jefferson County, this State. His ancestors on both sides were of Revolutionary stock. Brother Leslie lost his father in the battle of Shiloh. His mother was barely out of her teens and Brother Leslie quite a small boy. His maternal grandfather, Silas Moore, took him and his mother in his home, and undertook a father's part and place in raising him. He remained here until his grandfather's death. Silas Moore was an educated man. He took special interest in his grandson, and Brother Leslie received the most of his education from his grandfather.

He possessed an analytical mind, and was a boy of fine application. He made splendid progress in his books. He was converted when eight or nine years of age, and identified himself with the Methodist Episcopal Church, South, and lived an exemplary Christian life.

Brother Leslie grew to manhood, partly in Madison, Limestone and Lauderdale counties. He did with his might the things his hands found to do, and thereby made a good living for his mother, and contributed something to the support of his aged grandparents, who had lost almost all their property during the Civil War. He employed his spare moments in seeking knowledge. This thirst for knowledge marked his whole life, and when he got to where he could not read he would fondle his books and remark to his family that they had been a great source of pleasure to him. He was one of our best posted men and strongest theologians. He felt his call to preach almost from his conversion, but on account of his widowed mother, who was dependent upon him, and perhaps his own conscious limitations he hesitated, and tried to content himself with doing other things; at one time studying law and at another reading medicine.

He was admitted on trial into the North Alabama Conference, at Tuscaloosa, Ala., November, 1879, and assigned to the Carrollton Circuit, as junior preacher, with Rev. W. M. P. Rippey. He was admitted into full connection at Huntsville, Ala., at the Conference of 1881. He was ordained Local Deacon at Tuscaloosa, in 1879, by Bishop Paine. In 1883, he was ordained Elder by Bishop McTyeire, at Birmingham.

In 1889, while serving on New Market Circuit, he was happily married to Miss Sallie B. Allen, of Madison. To this union three sons were born.

Thirteen years out of the first fourteen of his itinerant ministry were spent in the Huntsville District. Brother Leslie could succeed himself, or be returned for a second term to a charge. He had a wonderful way of making and holding friends. He seldom created friction. His work abides in the Huntsville District.

He served Gadsden District in 1898. His health was not robust when he was put in charge of this district. His friends in the Conference felt like this change of work would be good for his health, but he saw so much to do he overtaxed his strength and came near collapsing before the summer passed; but as cool weather came on he picked up some, and at Conference was continued on the district for 1899. He contracted a severe case of LaGrippe returning from Conference, from which he did not fully recover, and in May of that year was relieved of the district. He was placed on the supernumerary roll at the session of the Conference in 1899, and remained in this class for two years. 1902-03 he served Gurley Circuit.

On account of health conditions in his family, Brother Leslie did not serve the work to which he was assigned for 1911. At the session of the Conference in 1911 he was assigned to Scottsboro Station, and remained there in active charge until June, 1913, when he resigned his charge on account of his failing health and moved to Huntsville, Ala., where his health completely failed in June, of 1915. He suffered a stroke of paralysis and mental aphasia, from which he never recovered, finally fell on sleep September 25, 1916. The funeral services were conducted by Bro. B. B. Glasgow, assisted by Bros. H. W. Rickey, Henry L. Aldridge and R. I. Walston. His body was laid to rest in the beautiful cemetery at Athens, Ala., to await the resurrection of the just. He leaves a widow and three sons to mourn their loss. Thank God they do not sorrow as those that have no hope, but as those believing in the resurrection and life eternal.

Brother Leslie's early ministry was marked with evangelistic power. Many people still living in the Huntsville District were won to Jesus Christ by his preaching. He was invited to transfer to other conferences, but he was too much attached to the old North Alabama Conference to give these offers serious consid-

eration. He was mentally active, physically industrious, and religiously zealous. He believed it better to "burn out than rust out." He was a diligent pastor; tender and sympathetic. His people loved him because he made himself lovable.

He was one of the best ecclesiastical lawyers in the North Alabama Conference. He always took an active part in the social and civic matters where he lived; was a friend to education, and especially Christian education. He was for many years a member of the Board of Trustees of the Birmingham College. His suggestions were always wise and helpful. He asked the Board to excuse him, and insisted that they put in a man that could do the work when he had grown too feeble to look after it.

I never knew a more manly man; nor one of higher purpose. Thank God our brethren still die well.

DR. MARSHALL HARRISON WELLS.

Rev. Marshall Harrison Wells, D.D., was born in Marshall County, Miss., July 6th, 1836, and died December 6th, 1915; was converted and joined the Church at Green Hill, Ark., in September, 1854; was licensed to exhort October 28th, 1854; was licensed to preach June the 30th, 1855; was admitted on trial in the Onachita Annual Conference in the Fall of 1855, serving as junior preacher one year; in 1856, he was appointed to the Louisville Circuit; was ordained Deacon, November 8th, by Bishop Kavanaugh, at Little Rock, and appointed to the Napoleon Station; in 1858 was appointed to Auburn Circuit; in the Fall of 1859 he located, partly on account of bronchial trouble and to complete his education; he graduated from the Wesleyan University at Florence, Alabama, with honorable distinction, June 11, 1861; June 12, 1861, he was happily married to Mollie Hawkins; in July following, he returned to Arkansas, and filled the unexpired term of Rev. W. O. Haislip, of Monticello; in the fall of 1861 he was readmitted into the Auachita Conference and ordained Elder by Bishop Robert Paine; he then transferred to the Louisiana Conference, and was stationed at Bastrop, La.; in 1862, he transferred back to the Onachita Conference, and was stationed at Washington, Ark., serving two years; during the second year he entered the Confederate army, and was appointed General Hospital Chaplain, and served in this capacity until the close of the war, and the remainder of 1865 he served the Monticello Station; in the Fall of 1865, he was appointed Presiding Elder of the Monticello District; in 1866 he was Presiding Elder of the Pine Bluff District, serving four years; in 1869-70 he was Presiding Elder of the Monticello District; in 1871-74 he served Arkadelphia Station; in 1874 he transferred to the Northwest Texas Conference, and was stationed at Waco, which he served four years; in 1878-1879 he was stationed at Fort Worth; in 1879-80 he was at Corsicana, remaining two years; in 1881 he served Ennis Station; in 1882-3 he served South Fort Worth and edited the Texas Messenger; in 1883-4 was appointed to Weatherford Station, which he served three years. On the 5th day of April, 1885, he began a revival meeting, which continued until June 14th, resulting in 725 conversions and reclamations; in 1886-7 he was at Gatesville Station; in 1887 he was transferred to the North Alabama Conference by Bishop J. C. Keener, and appointed to Florence Station; in 1888 Bishop McTyeire transferred him to Louisville Conference, and appointed him to the Walnut Street Church, Louisville, in 1889 he was transferred to the First Church, Owensboro, Ky., which he served three years, and then was transferred back to the North Alabama Conference, and as publisher of the Alabama Christian Advocate he did splendid work; he then served several stations in our Conference, and in the Fall of 1913 was superannuated, and spent the remainder of his life with his daughter and son-in-law, Mr. and Mrs. Sam Blake, where he was tenderly and affectionately cared for until the end came.

Thus we have enumerated some of the labors of a brother beloved by all who knew him. Dr. Wells was a man of noble parts. He was a good preacher; he had a true vision of God; he knew God; his exposition of the Word of God was clear and forceful; his conceptions of God and the Church were high; the Church to him was the highest and best thing on earth.

Dr. Wells was a remarkable man. In prayer at times he seemed to be stand-

ing face to face with, and talking to God. He was a clean man; he never indulged in things of a low or obscene character.

"An Israelite indeed in whom there was no guile," might well be said of him. He was an educated, cultured gentleman; courteous and polite to all he met; kind and tender to everyone. He was a man of deep sympathy; a great heart beat within his bosom; his love for his friends was overflowing; sorrow and suffering caught his eye, and called forth his tenderest ministries. A nobleman; a Christian gentleman; a conquering hero has fallen. Long may his influence linger in our memories and live in our hearts. It was my happy privilege to be his pastor for something over a year before he died. It was indeed a privilege to be with him, and hear him talk of the Kingdom of God, and of his experience and communion with Him. I feel that I am a better man by having been associated with him.

W. O. HORTON.

SAMUEL PAUL WEST.

Samuel Paul West was the son of John Paul and Monah Louise West. He was born at Montevallo, Ala., October 30, 1858. In his boyhood Paul was given the advantages offered by the school at Huffman, Ala., after which he taught school for two years.

At the session of the Annual Conference held in November, 1881, Brother West was admitted on trial into the North Alabama Conference. He was then twenty-three years old, and because of his youthful appearance, he was known for a number of years as the boy preacher of the North Alabama Conference. From the time of his admission to the time of his death, Brother West never missed a roll call of his Conference.

At the session of the Conference held in 1883, Brother West was ordained a Deacon by Bishop H. N. McTyeire, and at the session of the Conference held in 1885, in Gadsden, Ala., he was ordained an Elder by Bishop A. W. Wilson. Brother West served the following appointments: Cullman Mission, 1881-82; Coosa Valley Circuit, 1883-84; Plantersville Circuit, 1885-87; Glen Addie Mission, 1888-89; Heflin Circuit, 1890-91. At this place Brother West became very much interested in a plan providing for an Ophans' Home for the two Alabama Conferences. For this institution he represented the two Conferences for five years, 1891-95.

At the close of this service Brother West accepted the position of Assistant Editor and Business Manager of the Alabama Christian Advocate. He filled this position acceptably for ten years, 1895-1905. After leaving the Advocate, he was appointed to Warrior, where he served until January, 1907, at which time he was transferred to our church at Fortieth Street in Birmingham, and remained there one year, and at the Conference in 1908 he was appointed to Brighton-Walnut Grove, which charge he served for four years. In 1912 he was appointed to Jacksonville-White Plains, where he served three years. In 1915 he was placed at Childersburg-Fayetteville, and was in charge of this work when he was called to his home on high on September 6, 1916.

Brother West was married in First Church, Talladega, to Miss Alva Alice, daughter of E. A. and Ruth Cowan, on July 15, 1886. To them were born eight children, of whom, with their mother, five survive. They are Paul, Milton, Louise (Mrs. Read P. Black), Lewis Holland and Warren Arch, three children dying in infancy.

Brother West possessed exceptional business ability. In connection with his regular work he enterprised and conducted successfully from 1892 to 1896 a Chautauqua in Talladega and Shelby Springs, Alabama. Brother West was a devoted husband and father; a faithful itinerant and sympathetic, diligent pastor; a sound gospel preacher, and a loyal and devoted lover of our Lord and our Methodism.

In the church in which he was married we held his funeral services, and laid his body to rest in the cemetery at Talladega, Ala., on September 7, 1916.

TURNER BRADFORD MIDDLEBROOKS.

Rev. Turner Bradford Middlebrooks was born in Atlanta, Ga., November 2, 1890, and departed this life in the same city, September 9, 1916.

His parents, W. M. Middlebrooks and Mattie Lee Middlebrooks (nee Turner), are devoted Christians. They trained up their son in the fear of the Lord. He

manifested strong religious inclinations when but a child. While a student at Bell Buckle he was converted under the ministry of Dr. Elam F. Dempsey, who came there to preach for a few days.

He was recommended from the Quarterly Conference of Trinity Church, Atlanta, Ga., to the District Conference of the Atlanta District, which met in Wesley Memorial Church in the Summer of 1910. At this conference he was licensed to preach after due examination. He was recommended to the next session of the North Georgia Conference for admission which met that year in Athens, Ga. He was unanimously received into the Conference on trial. He received with great joy his first appointment. This was a circuit in Lincoln County, Ga. At the close of this Conference year he went to the Theological Department of the Vanderbilt University, where he spent a year in very earnest study. That Fall he was transferred to the North Alabama Conference, and assigned to the Ragland charge, where he spent some eight or nine months, and succeeded in building a good parsonage, going in the Fall to Vanderbilt to further prosecute his studies in the Biblical Department.

He presented himself for work at the Conference of 1913, and was ordained Deacon at this Conference by Bishop McCoy, who assigned him to Paint Rock Circuit, in the Huntsville District. After the appointments were read it became necessary to rearrange some of them, and he was changed by Bishop McCoy to Stevenson charge, where he spent the Conference year of 1914.

Brother Middlebrooks was placed at Bridgeport for the year 1915. Here he entered upon his work with great earnestness, pressing every department of the Church work. In the late Spring and early Summer he enterprised a meeting at the Bridgeport Church, which he carried on for three or four weeks. When this meeting was closed he was almost prostrated nervously, and had to be relieved for some two months, after which he came back to his charge and took hold with new courage, and it did seem for a short while that he would round out a great year; but when no one was looking for it on Monday after two great services on the Sabbath, he had a complete breakdown with hemorrhages. His case was pronounced critical by expert physicians, and he was hurried away to Saranac Lake, New York, early in November. When his physician told him he could not live, he said: "Let me go home to my people that I may see them before I go hence and be seen no more among men." He came to Atlanta, Ga., in the early days of last September. Among friends and loved ones he died a glorious death. Just before the end came he called his people and friends to prayer about his bedside, and offered up to his Father a most earnest prayer that He would keep them all true and bring them to heaven at last. When he had finished the prayer, he said: "I am so happy," and with a radiant smile on his countenance he fell on sleep.

He was buried from Trinity Church, Atlanta, Ga., on the 10th of September, 1916, Drs. Jones and Dempsey officiating. His body was laid to rest in the beautiful Oakland Cemetery, Atlanta, Ga., to await the resurrection of the just.

His was a brief career, but a race well run. His was an enthusiastic nature. He loved men. He had a passion for souls. I have never known a more consecrated man. His was an evangelistic ministry. His message appealed to the hardened sinner. His enthusiasm sometimes brought criticism, but despite that he certainly could do things, and men believed in him because they believed HIM TRUE.

I loved him. I hated to see him die. I shall not see his like in many respects again soon. He leaves a father and mother, brothers and perhaps sisters, and a devoted wife with three small children to mourn his departure.

He was not able to attend Conference at Athens. He had virtually finished his four years' studies through the Correspondence School. The Conference, upon recommendation of the Fourth Year Committee, elected him to Elder's orders, but he was never able to be ordained. I feel quite sure he is crowned in glory, for he built with gold and silver and tried stones, and of such it is said they shall receive their reward.

Here I would introduce an appreciation by Dr. Elam F. Dempsey, who was the preacher when he was converted and joined the Church; pastor when he was licensed to preach and admitted on trial into the traveling connection of the North Georgia Conference:

"Turner Bradford Middlebrooks, in the few brief years that were allotted to him, made full proof of his ministry. It may be truly said of him that he "rests," because he did indeed labor, and though the body grew tired and its energies flagging, at last failed under the touch of disease, that fiery particle—his soul—never wearied, because he realized that his work was being established upon him by the hand of God, and that it was not in vain, because it was in the Lord. Like his Master, he lived to seek and to serve and to save the lost.

At times in his preaching his fervor touched by the Holy Spirit moved him to thoughts and to language that are not often matched by even the fires of genius.

Let us not say that the fitting symbol of his twenty-six years of life is a broken column. No, rather let us catch the loftier vision and recognize that his life, dedicated to God, though ended so soon, is yet complete in Christ Jesus."
